What information do we collect?

We collect information about you when you contact us through our website, by email or by phone or when you place an order for services. This information includes details such as your name, email address, postal address and/or telephone number. To provide some services, Millrace Translations also needs to collect information such as payment details and other financial information.

We also collect information about you when you voluntarily provide us with feedback or information about services that you offer, such as a copy of your CV. Website usage information is collected using cookies.

If you do not provide some items of personal data, we may be unable to process your order, and we will tell you about the implications of that decision.

How do we use the information about you?

We collect information about you to process orders, maintain our records and client and vendor databases and, if you agree, to email you with information about our products and services that we think may be of interest to you.

Millrace Translations will not share your information with anyone else for marketing purposes.

Millrace Translations only shares your personal data or other sensitive information with our employees, contractors and affiliated organisations that need to know it in order to process it on our behalf or to provide services that we offer. We will only share your personal data or other sensitive information with employees, contractors and affiliated organisations who have agreed not to disclose it to others.

We may sometimes need to share your personal data or other sensitive information with contractors or affiliated organisations outside of the European Economic Area (EEA) in order to provide a service to you. We will always ask for your consent before we do this. You can always refuse your consent for your information to be sent to countries outside of the EEA, but this may prevent us from providing a service to you.

We will make sure that your personal information is held securely in accordance with our policies and the law.

How long do we keep your data for?

Millrace Translations will not keep your personal data for longer than necessary. We will keep the details that you provide for up to three years after your last contact with us in accordance with our internal policies and procedures.

We may also retain some of your personal information for a limited time if we are legally required to do so or if it is necessary in order to comply with regulations, resolve

disputes or enforce our Terms and Conditions. To comply with HM Revenue and Customs regulations, we will keep details of any financial transactions for 6 years from the end of the last company financial year that they relate to.

Accessing, correcting or deleting personal information

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your personal information, please email or write to us at the address in the “how to contact us” section below. Our security procedures mean that we may ask for proof of identity before we reveal information, including your email address.

You can also contact us using the same method to change, correct, update or delete the personal information that Millrace Translations has about you. Please be aware that it may not be possible for us to delete all of the information that we hold about you if we are legally required to keep it, or if it is necessary to retain it in order to comply with regulations. We will keep a record of any requests that we receive to change, correct, update or delete personal information.
